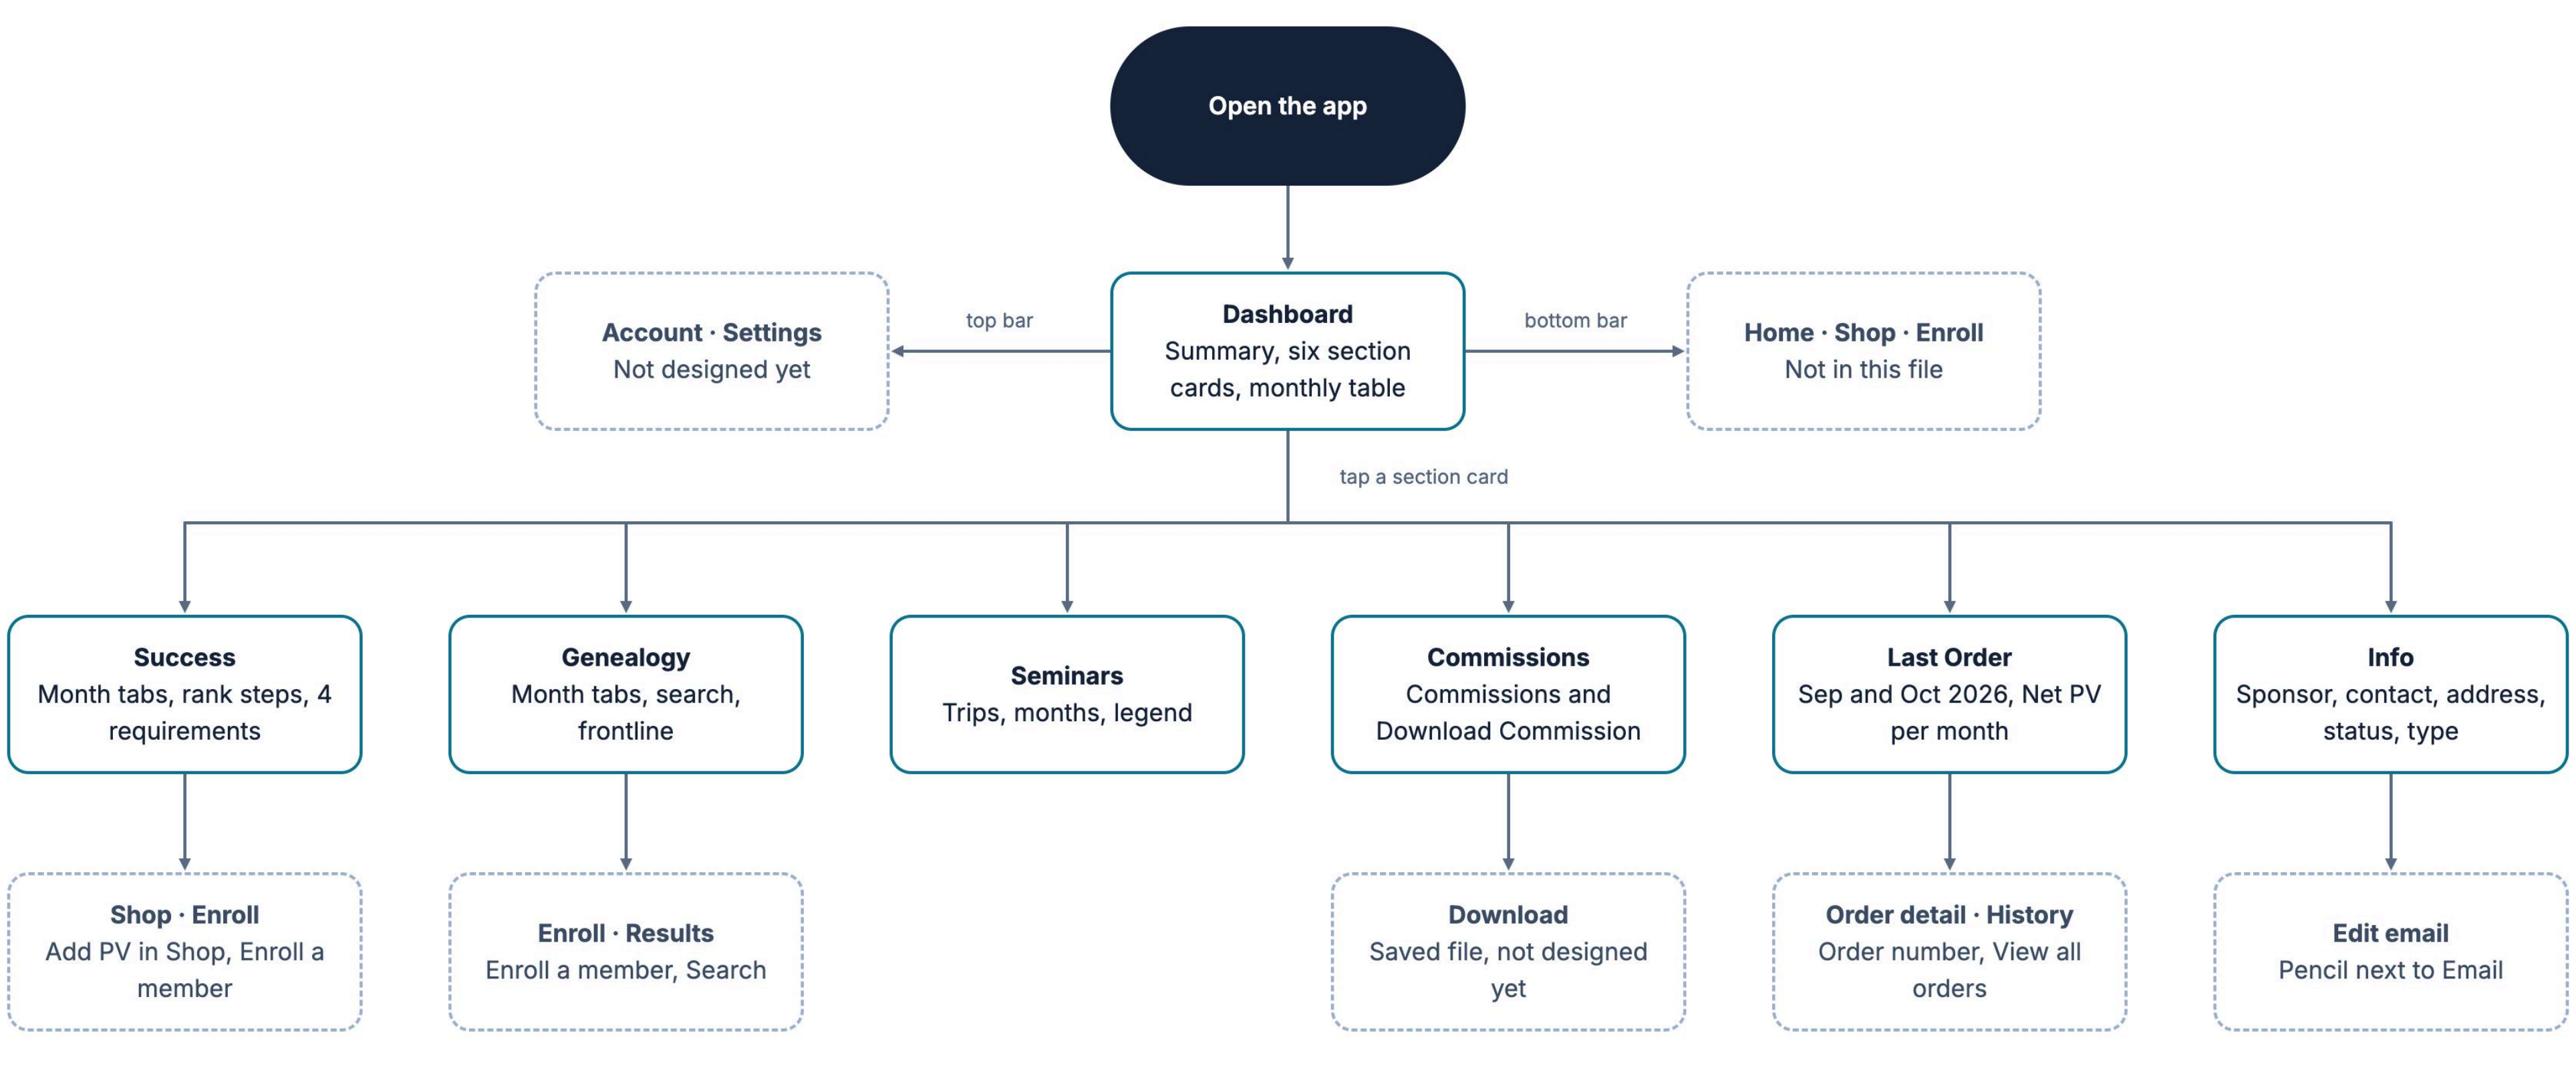
User flow · Screen map (mobile)

How the seven mobile screens connect. Dashboard is the hub: every section opens from it and returns to it.

Start or end · Screen in this file · User action · Not in this file yet · ? Decision



Back: every screen returns to Dashboard with the ‹ Dashboard button (top left) or Dashboard in the bottom bar. Dashed boxes are places a tap leads to that are not drawn in this file yet.
Desktop: the same seven sections sit on one page, and the On this page buttons scroll to them instead of opening a screen.

User flow · Task flows (mobile)

What a member does, step by step, on the mobile screens in this file. Each lane is one task, read left to right.
